

PROFINISHERTM

BY HUTCHINS

**Cutting Edge American Made Technology
at an Import Price!**

505 with 3/32" offset
with 2 3/4" X 5 1/2" Hook Pad
525 Vacuum Assist Model

- Unique design Blocks and Feather-edges at the same time eliminating sanding steps

- Both sanders use standard 2 3/4" Velcro Vacuum sandpaper rolls. Velcro pads securely hold scuff pads for easy new-panel prep
- Cylinder and housing construction combined with five-vane composite motor to ensure maximum performance with low air consumption

- Smaller Rectangular Orbit allows better sanding access for bumpers, recessed areas, and new panel prep

- Easy to replace drop-in motor assembly to reduce down time

- Designed to direct cold exhaust air away from the operator

508 with 3/32" offset
with 2 3/4" X 8" Hook Pad
528 Vacuum Assist Model

Hutchins ProFinisherTM

Sanders that continue to deliver

unequaled performance and longevity at a competitive price!

ProFinisherTM by Hutchins Mfg Co, 24 N. Lotus Ave, Pasadena, CA. 91107 (800)-247-3199 www.hutchinsmfg.com

Specifications: Country of Origin: US • 12,000RPM • 10.7 CFM • Air Connection: 1/4" • Horsepower: .25 • Vibration <2.50* • Noise Emission: 81dBa

***NOISE AND VIBRATION**

The noise and vibration values stated are from laboratory testing in conformity with stated codes and standards and are not sufficient risk evaluation. Values measured in a particular work place may be higher than the declared values. The actual exposure values and amount of risk or harm experienced to an individual is unique to each situation and depends upon the surrounding environment, the way in which the individual works, the particular material being worked, work station design, as well as upon the exposure time and the physical condition of the user. Hutchins cannot be held responsible for the consequences of using declared values instead of actual exposure values for any individual risk assessment.
