Vacuum Conversion Form

- Conversion cost includes a new pad, conversion parts, labor and return shipping within the Continental US. Repair parts if needed are extra.
- Once converted, tools will come equipped to connect to 1 1/2" OD vacuum hose.
- Tools converted in factory receive a 90-Day warranty from date of conversion .
- Additional vacuum connectors and custom-length hoses are available.
- Please insure your shipment and note the model , serial number and tracking number which are necessary when inquiring on your tool. For inquiries contact (626) 792-8211 Ext.18 or repairs@hutchinsmfg.com.

Please read and complete steps 1-5, to assist us in the speedy conversion of your sander. Ship sander with a completed conversion form to the address listed at the end of the form.
