VA SPEED FILE. To complement vacuum sanding. Part No. 5540 - Cyclocac Plastic (PF-16V) PSA Part No. 5540H - Hookit version

Part No. 5550

Truck Bed Sanding System Simply attach one of the interface pads to the 4 1/2" x 9" base of our new Speed File blocks, then attach the desired sheet of sandpaper and let the block sand the contours for you. Truck bed sanding system includes 1 each 5541H, 5542H, 1301-2 (universal soft foam interface pad), 1301-3 (for Dodge/Ford), 1301-4 (for Chevrolet/GMC), and 2 each 1301-H interface extensions to modify sanding depth on 1301-3 & 1301-4 interface pads. Complementary sandpaper and reference sheets are also included in each kit.

*Available in Velcro Base. Add "H" to Part Number when ordering. Additional charge. Custom files made by request. Call Hutchins direct For information.

*Part No. 5543H
